## President's Message 2024-2025

Gardeners are all about reinventing. We begin with a plan or concept and then we continually revise as we learn to understand our soil, our surroundings and what grows in sunshine, shade, drought and rain. Our awareness of our environment is enhanced by digging our fingers in the soil and getting dirty to make our lives more beautiful and productive.

Our Garden Club is endowed with similar traits to our gardens. We are constantly reinventing ourselves, growing, making friends and surrounding ourselves with support and enthusiasm. We are willing to learn and to become more inventive and sustainable, no matter what challenges we face. We try new ideas, revise old ones that may not work as well as in the past and we are constantly changing our leadership as members become more "planted" and grow with our club. At 72 years young, Vashon Maury Island Garden Club has a legacy to share with all our members. I encourage you to explore our website, look at the history of the club and how we've evolved over the years. Read about the contributions Lifetime Members have made and the many others who have helped make this club what it is today.

As in our gardens, our club thrives on diversity – and sometimes controversy– and it is the flexibility, patience and forgiveness that helps us all respect each other for all our qualities and makes this club such a sustainable success. Our board and committee chairs, volunteers for all our events and activities are not professionals, not former CEOs. Some have never held an office in their lives – or have even given a speech! As we nurture our gardens in all aspects, we do the same for each other as club members. I like to think that this is a safe place to make mistakes and to grow from them. Isn't that how we are in our gardens?

I think it is important to recognize the personal rewards we receive. I have had such joy in making new friends – lifetime friends! The longer I am in this Club, the richer I am in friendship and the more I learn. I want this for all of you as well. We have some exciting presentations lined up as well as our community outreach events. Soooo, keep digging and learning with us!

*Kari Ulatoski*  
PRESIDENT, VMIGC 2023-2025

## Mission Statement

*Vashon-Maury Island Garden Club promotes fun and interest in gardening among Islanders while educating club members and the larger community on environmentally sound gardening practices and the preservation of native plants and wildlife.*

## About the Garden Club

**Active members** are asked to attend meetings regularly, support the plant sale by donating at least twelve plants (aka "The Dirty Dozen"), participate in club events, and serve on at least one committee.

**Membership Dues:** \$30 per year, collected from April to June.

**Founded 1952:**

Incorporated 1998, 501(c)(3)

Tax Exempt Nonprofit Federal Tax ID# 45-5434651

**Club Tree:**

Higan Cherry  
(Prunus subhirtella  
"Autumnalis")

*Pacific Dogwood*

**Club Flower:**

Pacific Dogwood  
(Cornus nuttallii)

**Theme:**

Gardening with Friends

**Fiscal Year:**

July 1 – June 30

**Website:**

www.umigc.org

**Mailing Address:**

vashongardenclub@gmail.com  
PO Box 2113, Vashon, WA 98070

# Meetings

The Garden Club has monthly programs from September through June. Regular meetings begin at 9:30am on the second Monday of most months. Meetings are held in the Multi-Purpose Room/Gym at Bethel Church, 14736 Bethel Lane SW on Vashon. Meetings begin with the Garden Club business meeting, including talks by our gardening experts, followed by a guest speaker presentation. Meetings will conclude before noon.

There is no Garden Club meeting in November when we have the Community Garden Awards Event and no meeting in May due to our annual Garden Club Plant Sale. Our meetings are open to the public.

## Meeting and Events Calendar

Guest speakers will be announced in advance of meeting dates in shoutout emails.

<b>September 9, 2024</b> Meeting
<b>October 14, 2024</b> Meeting
<b>November 12, 2024</b> <b>Community Awards Event</b> ~ No Meeting
<b>December 9, 2024</b> Meeting/potluck
<b>January 13, 2025</b> Meeting
<b>February 10, 2025</b> Meeting
<b>March 10, 2025</b> Meeting
<b>April 14, 2025</b> Meeting
<b>April 26, 2025</b> <b>Plant Sale</b>
<b>May, 2025</b> TBD
<b>June 9, 2025</b> Meeting/potluck

# Board Meetings

Board meetings are held on the first Monday preceding each Club membership meeting unless otherwise directed by the President. Anyone wishing to be on the Board meeting agenda should contact the President one week in advance.

## Board Members

President	Kari Ulatoski	206-305-6542
Vice President	Peg Staeheli	206-854-1741
Secretary	Fran Brooks	206-228-2995
Treasurer	Mary Nerini	206-713-5742
Programs Chair	Sharon Montoya-Welsh	206-771-0972
Publicity Chair	Rebecca Rumburg	206-567-4924
Past President	Linda Milousoroff	206-734-0435

## Committee Chairs 2024/2025

Audit Committee .....	Carol Olson
Budget .....	Janet Quimby
Community Garden Selection .....	TBD

Scholarship ** .....	Marge Loftstrom
Summer Open Gardens .....	Marian Brischle & Denise St. Dennis
Sunshine & Memorial .....	Charlotte Lubbert
Table Arrangements .....	Shannon Sudduth

\* Horticulture Grants for school in the name of Helen Puz

\*\* Scholarship in the name of Kay White

## Committees

Committees are the major way for members to participate in the Club's fun, its educational activities and its stimulating events. If you would like to join a committee, contact the committee chair. Appointed by the President, each committee chairperson is responsible for planning the committee's activities for the year and may select the members of her/his committee as needed. Committee chairpersons work within the adopted budget for their committee and submit written annual reports to the President for the June meeting.

## Managing Events and Projects

### Community Garden Awards

Annually, the committee selects three or four gardens of Islanders who do not belong to the Garden Club for recognition as good examples of outstanding horticulture practices. These gardens must be maintained by the owners, and they may be either private or commercial gardens. The owners are honored at the annual awards event held in November. The annual awards event is attended by award recipients, Garden Club members, and their guests to view video and poster presentations of each garden. A certificate is awarded for each garden and the gardeners' outstanding efforts are recognized in the local media.

### Helen Puz Horticulture Grants for Schools

The Garden Club supports the robust agriculture and horticulture programs within Vashon Island's public and private schools through contributions for structures, planting supplies, and educational materials. This committee solicits proposals from local elementary, middle, and high school teachers and staff for gardening-related educational projects. It reviews the projects and makes funding recommendations to the Board for approval by the membership. In recognition of her many years and tremendous dedication to the Garden Club these awards are given in the name of Helen Puz.

## Plant Sale

All members are encouraged to participate in the Plant Sale, the Clubs' annual fundraiser. Six months of planning, propagation, and execution culminate in this three hour, one-day event. The sale includes a diverse variety of ornamental, native and edible plants which have been cultivated and donated by Club members.

The Island community enthusiastically supports the sale through attendance and purchases each year. Money raised through the sale helps fund the Club's community work and most of the Club activities. Responsibilities for the sale are handled by all club members.

## Scholarships in the name of Kay White

To honor her many contributions to the Club and to Vashon gardens, VMIGC awards the Kay White Scholarship(s) based on students' commitment to the study of horticulture, botany, environmental sciences, landscape architecture, or forestry. Funds for scholarship(s) goes through the Vashon Community Scholarship Foundation. The committee works with a Vashon High School counselor in identifying candidates, reviews each candidate's qualifications and determines the number of scholarships and the amount of each. A progress report is presented to the Board at the June meeting. Club members are encouraged to attend the awards ceremony, as it means so much to the recipients!

## Committees with Year-Round Responsibilities

### Historian

The chair of the committee keeps a record of newspaper clippings, photos, and other memorabilia concerning the Club's activities.

### Sunshine and Memorial

This committee sends appropriate cards of cheer and condolence to members and their families and contacts members in need of assistance and club support.

### Table Arrangements

This committee chair recruits members to bring flower arrangements for each table and sends reminders for providers a few days before the garden club meeting. These arrangements, ideally from the member's own garden, should be simple and not too high, in order to allow visibility across the table.

### Garden Advisory Team

Advisors are called upon to contribute at Club meetings and on the website in their area of expertise.

#### **Garden Advisory Team**

- ☀ Diane Emerson
- ☀ Julia Lakey
- ☀ Plus Others

### Off-Island Garden Tour and Adventures

Club members take an off-island tour each spring, visiting professional gardens and growing centers off the Island. The committee identifies and selects sites, and also organizes this popular trip. This committee also arranges spring and fall smaller "adventures" related to gardening either on Island or off depending on current interest.

### Summer Open Gardens

Many members invite the Club to visit their gardens during the summer months of May to September. In addition to showcasing members' lovely gardens these visits offer an opportunity to seek advice, ask questions and find new ways to improve what gardeners are doing. Recommendations can highlight plant choices and also environmentally friendly ideas for overall landscape, watering, and soil improvement. In addition to enjoying and learning about gardens, members value the relaxed environment for sharing knowledge and friendship. The committee encourages participation and coordinates a calendar of visits.

## Standing Committees

Chairs for these committees are appointed by the President for a two year term except the Membership/Hospitality Chair who also serves as Vice President and is elected by the membership. Chairs marked by an asterisk (\*) also serve on the Board.

### Audit

This committee audits the Club's books at the end of the fiscal year and submits a report at the September Board meeting. It consists of three club members, appointed by the President.

### Budget

The committee plans the year's expenses for the fiscal year period beginning July 1st and ending June 30th. The budget includes all expenses of the Club and allows for an emergency fund. The proposed budget is submitted to the Board for its recommendation and approval prior to the membership's approval at the June meeting. The committee includes the Treasurer, the Budget chairperson, and one member from the general membership.

### Membership/Hospitality \*

This committee chair contacts prospective new Club members, maintains membership records and photos, makes and manages nametags, collects annual dues, provides new member information for the Club's Directory, and is responsible for distribution of the Directory. The chair also welcomes members and guests, distributes nametags and reminds members to sign-in at meetings. The chair is Club Vice President.

### Directory

This sub-committee of the Membership Committee prepares the Garden Club's Directory for distribution during the September meeting. The Directory includes club information, the schedule of the upcoming year's meetings, events, and a current membership roster.

### Nominating\*

This committee secures a slate of officers for the coming year to be presented at the April meeting. The Immediate Past President chairs this committee, along with two Board members and two persons from the general membership appointed in February by the President.

### Programs and Workshops\*

This Committee secures guest speakers for general meeting programs in the coming year. These programs cover aspects of horticulture, conservation, and garden design of interest to members. The Programs Chair also coordinates interest targeted, hands-on workshops throughout the year.

### Publicity and Website \*

This committee maintains the Club's website and serves as media liaison between the Club and the Vashon Maury Island community. The committee submits announcements of each regular Club meeting and its program topic, as well as occasional articles about Club activities, to the local media.

*\*Also serve on the Board*

## Life Members

Life Members are selected by Club membership, and have been a member for ten years, live on the Island, and have made significant contributions to the Club.
